

The background of the image is filled with detailed black and white line drawings of various spices and herbs. These include a long, curved chili pepper, a whole onion, a bunch of leafy herbs, a mortar and pestle, and several types of berries and seeds. The drawings are scattered around the central text, creating a rich, textured border.

SPICING UP FOR SUCCESS...

VISION:

To develop brand equity of “GT Jayanti Group” that emphasizes quality, value and reliability for all its products and services; and admirable business ethics.

MISSION:

Started in 1969, GTJ is committed to being a premier TRADING HOUSE based out of Chennai. We deal in the wholesale imports and Exports of Spices, Country Drugs, Food Ingredients, Natural Gums/Resins and Agarbathi Raw Materials.

We are now planning to get in to smaller packaging of Spices, Dry Fruits and sell quality material under our own brand. This again will be sold in wholesale and semi wholesale fashion targeting different Kirana Markets, Restaurants/Hotels, and Super Markets.

With the advent of GST which will eventually lead to tax simplification across states in India, we wish to have a representative or liason office in major wholesale trading hubs of the country. We can leverage this opportunity to expand as we have the financial resources, business expertise, Infrastructure and most importantly “brand goodwill”, to surpass our competitors. Our principle is win-win partnership and we will stand by it in all circumstances.

COMPANY PROFILE:

Shri Jayantilalji C Doshi is the founding director and chairperson of GT Jayanti Group. The organization is a trading house since 1969, dealing in the wholesale Import and Export of Spices, Country Drugs, Pulses, Chemicals, Natural Gums/Resins and Agarbathi Raw Materials for more than four decades, based out of Chennai, India.

The company and brand are very well known in the international as well as domestic market. Also being able to survive in the highly competitive market for so many years the company has earned a reputable goodwill from its clients and suppliers worldwide.

Shri Jayantilalji Doshi is a pioneer leader and very well respected personality in the industry of agri-commodities, owing to his long standing pedigree, sincere business ethics and Business fundamentals.

He single handedly led the organization over the years expanding the business operations in diverse industries and geographies worldwide. Thus his name itself has become synonymous with the company.

Under his leadership as the President of the MKMA (Madras Kirana Merchant Association) one of the pre-independent associations of India, its platinum jubilee i.e., 75 years of existence was celebrated with a Mega - 3 day Exhibition/Trade Meet held at the Chennai Trade Centre representing kirana traders of the Agri-trade Business background from around the country.

The company is a wholesale supplier of commodities to semi-wholesaler, retailers, Institutions, processors and manufacturer in the field of Spices, Country Drugs, Food Ingredients, and Raw Material for Making Agarbathi. The company Caters to both the traditional/unorganized market and the modern organized market.

GTJ deals in more than 50 commodities sourced from (for Imports) and sold to (for Exports) various countries like China, Indonesia, Thailand, Vietnam, Laos, Burma, Indonesia, Madagascar, Tanzania, Nigeria, Ethiopia, Netherlands, Turkey, Dubai, Sri Lanka etc.

Brands & Associations:

With increasing consumer awareness and widespread consensus on the importance of quality standards of Food products, we have ventured in to branding and packaging our own line of Spices and Dry Fruits in semi wholesale packs under our premium brand “Taste On”. The packets will be sized at 500 grams for Spices and 250 Grams for Dry Fruits.

We are registered under the Spices Board of India, Apeda, MKMA to name a few of the reputed trade associations.

GT Jayanti is partnered with the highly reputed sugar refinery conglomerate ISP Group based out of Chennai. It holds the sole agent C&F for marketing, sales and distribution of Diamond Sugar (Sugar Candy) across India, promoted under the brand Name “ROSE”. The product is manufactured by ISP in their state-of-the-Art” production facility situated in Gummidipoondi, Tamil Nadu. (One of the largest sugar candy factory in India)

Opportunities & Advantages:

- ◆ Since we are an Importer and bulk supplier, our pricing is much better than a reseller or trader as we procure directly from the source. Thus we can be your supply partner for all your requirements as we have a wide range of products.
- ◆ For better control and monitoring we have our own cold storage and warehousing facilities, hence storage and its security is never a concern to handle the bulk or very valuable commodities.
- ◆ We place high importance to the Preservation of commodities by proper storage practices to maintain the freshness and flavor of Spices and dry fruits for longer period under hygienic conditions. These are conveniently located in very close proximities to the various transport operators and port.
- ◆ We can work as C&F agent, Stockist or distributor for your brand as you could leverage our existing widespread network of buyers and dealers around our region of operations.
- ◆ We are also packing semi retail packs of Whole Spices, Dry Fruits and food ingredients in our brand "TasteOn" and selling in Bulk Packaging. We are interested in distributors for our branded product range.
- ◆ Our Long standing history has created a goodwill which only strengthens year on year; we have the credibility and capability to be your partner/associate for a long term mutually fruitful business relationship.
